MONDAY NOTES FOR LITERATURE - GRADE 7 - WEEK OF MARCH 31 - APRIL 4 - Mrs. Gillis

We continue with our poetry unit part 2.

Tuesday 3:30-5:30 and Thursday 12:30 - 2:30 "Guess What I Did Last Summer?" Rehearsals

Looking ahead: Next book report will be on a book of poetry. It will be due at the end of April. Since many books of poetry are large anthologies, students may negotiate with me on the sections or number of pages to be read. I'll be sending home the format next week.

7th Grade Science (Mrs. Damron): We will begin chapter 12 which is about acids and bases.

EARLY ALERT: We will be building crystal radios later this year. Each student will need to provide a large oatmeal container. The sturdiest is the Quaker Oat container. If you do not eat oatmeal, there is time to ask a friend, relative, or neighbor. I have a few available for \$2.00. Each will need to buy a crystal radio kit. I will publish the cost later.

7th Grade Grammar: This week we will review the English Language and discuss this quarter's first writing project. We will take a look at MLA style. We will also look at prepositions. We will cover the material in your textbooks on pages 379 – 392, 320 – 341, and page 460. **Please bring some index cards to class on Tuesday and Wednesday. There will be a test on Friday.**

7th Grade World Geography: This week we will begin our study of Eastern Europe. We will cover the material on Chapter 18 of our textbook, pages 344 – 360. We will also be working with maps.
